

COMPANY PROFILE

About Us

The audit company **BAUM REVIZIJA** was established in 1994 by Mladen Baučić, a certified auditor and expert on corporate finance. Specializing in audit, accounting and advisory/counseling services, over the years, we have built a brand as one of the most reliable small-sized audit companies in Croatia.

At Baum, we strive to put our client at the center of our success. Our guiding principle is establishing complete collaboration and working together as one with our partners, providing them with a full range of services in the area of assurance, auditing, accounting, legal, tax and corporate counseling. We are focused on rendering specific services and innovative advice, tailor-made to fit the needs of our clients. Our expert team is comprised of audit, accounting and tax professionals with ample experience in accounting and auditing, as well as managing the implementation of accounting and legal changes.

- 2014 – the company provides assurance, audit, accounting and counseling services to over one hundred clients, its largest client base to date
- 2019 – the 25th anniversary marked with the new logo and website

Services

Assurance and Audit Services

Our audit team, led by Mladen Baučić, specializes in providing assurance, audit and valuation services to international and Croatian companies, in accordance with the Croatian Financial Reporting Standards / International Financial Reporting Standards. We provide comprehensive and committed services designed to deliver real value and help our clients improve the performance of the entire audit life cycle.

Accounting Services

In addition to ordinary accounting activities, we provide tailor-made services for our clients to meet their demands as best as possible. This includes calculation of taxes, performing payroll accounts, preparing and submitting periodic and annual statutory reports and financial statements, as well as any other calculations and reports for internal and external use. We make sure that we keep up to date with current legislation, since organized and up-to-date accounting is vital to any successful business. In addition to businesses, we provide accounting services to sole traders and non-profit organizations.

Counseling Services

Given that our aim is to provide full service to our clients, we offer a wide range of services related to taxation and business finance. We strive to provide accurate and timely advice with the purpose of optimizing our clients' tax structures.
